Marriages: Marriages are celebrated in the Church where the bride or groom is registered at. When a man and a woman plan to marry each other, they should contact a priest one year in advance and always before the wedding date is set, and before arranging for the reception hall. The engaged are required to attend a Marriage Preparation Course.

Please note: However, if this man or woman has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted. Questions are often being asked about marriages performed outside the Catholic Church by non-Catholic ministers. These are not valid marriages according to the teaching of the Catholic Church, but many can be rectified by simply consulting with your Parish priest to discuss the available options. Sometimes people make decisions without proper information, so if you wish, please contact your Pastor for details or call the Marriage Tribunal at 416-934-3400 ext 300.
