**Marriages:** Marriages are celebrated in the Church where the bride or groom is registered at. When a man and a woman plan to marry each other, they should contact a priest one year in advance and always before the wedding date is set, and before arranging for the reception hall. The engaged are required to attend a Marriage Preparation Course.

**Please note:** However, if this man or woman has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted. Questions are often being asked about marriages performed outside the Catholic Church by non-Catholic ministers. These are not valid marriages according to the teaching of the Catholic Church, but many can be rectified by simply consulting with your Parish priest to discuss the available options. Sometimes people make decisions without proper information, so if you wish, please contact your Pastor for details or call the Marriage Tribunal at 416-934-3400 ext 300.

"ShareLife represents a reliable signpost on the course mapped out by our Pastoral Plan—namely, its core direction of 'Catholic Outreach in Justice and Love.' The work of our agencies, and your generosity towards them, serve as a pathway through which acts of justice and love are realized, and the witness of the Catholic faith is strengthened."

**REDEMPTIVE DOLPHIN**

A symbol of the redemption, the dolphin is found on some of the oldest tombs. The dolphin is thought by some to be the most sophisticated and majestic of all marine life. It was said that it carried the souls of the saved "across the sea" to the land of the blessed.

**THE PEACOCK ON THE TOMB**

As a symbol of resurrection and immortality, the peacock was not uncommon on ancient tombs. Those who die in Christ will be raised to a new and glorious life, because Jesus' flesh did not experience corruption. This glory is represented in the glorious fan tail of the peacock.

**THE PHOENIX OF THE RESURRECTION**

According to one legend, this eagle-like bird lives to an age of 500 years, whereupon it flies to Heliopolis, Egypt, and incinerates itself upon the temple's high altar. The temple priest finds among the ashes a small worm of sweet savour. From this worm evolves a bird, which attains full growth as the phoenix on the 4th day, and then departs with its youth renewed. According to another legend the phoenix, having reached 500 years of age, builds a nest of fragrant twigs & spices. These are set ablaze by the heat of the sun (or fanning of the bird's wings) and the phoenix is consumed by the fire. Resurrected & young, it rises from the ashes to live another 500 years.
