November 26 Solemnity of Our Lord Jesus Christ,

King of the Universe

The Solemnity of Christ the King: It's our proclamation to the world that Christ is Lord of all creation and the true ruler on earth. This special celebration of Our Lord Jesus Christ, King of the Universe, is actually very new. Pope Pius XI added it to the liturgical calendar in 1925. He hoped it would help the Church respond to rising secularism and atheism. This feast day is an important one for two reasons: Not only does it celebrate the supreme authority of God, but also it renews our call to imitate Christ in his kingship. First, of course, this feast reminds us that earthly and temporal powers will pass away to nothing. Christ is the only real authority, so our eyes should remain fixed on the things of Christ, things that are heavenly and eternal. As the [USCCB](#) puts it, "This solemnity reminds us that while governments come and go, Christ reigns as King forever." Second, today's feast urges us to be like Christ in the "servant leadership" modeled so perfectly. All of us who have any kind of authority on earth are called to rule with humility, gentleness, and loving service, just as Christ did. *Aleteia*

Gospel Reading

Matthew 25:14-30

Background on the Gospel Reading

This week's Gospel speaks of how Jesus' disciples are to conduct themselves as they await the Kingdom of Heaven. In the preceding passages and in last week's Gospel, Jesus taught that there is no way to predict the coming of the Kingdom of Heaven. His disciples must, therefore, remain vigilant and ready to receive the Son of Man at any time.

Jesus' parable talks about Christian discipleship using economic metaphors. Before he leaves on a journey, the master entrusts to his servants a different number of talents, giving to each according to their abilities. A *talent* is a coin of great value. Upon the master's return, he finds that the first and second servants have doubled their money, and both are rewarded. The third servant, however, has only preserved what was given to him because he was afraid to lose the money. He has risked nothing; he did not even deposit the money in a bank to earn interest. This servant is punished by the master, and his talent is given to the one who brought the greatest return. Read in light of [last week's parable](#) of the wise and foolish bridesmaids, this parable teaches that God's judgment will be based on the service we render to God and to one another in accordance with the gifts that God has given to us. Our gifts, or talents, are given to us for the service of others. If we fail to use these gifts, God's judgment on us will be severe. On the other hand, if we make use of these gifts in service to the Kingdom of Heaven, we will be rewarded and entrusted with even more responsibilities.

This Gospel reminds us that Christian spirituality is not passive or inactive. Our life of prayer helps us to discern the gifts that have been given to us by God. This prayer and discernment ought to lead us to use our gifts in the service of God and our neighbor. God's grace allows us to share in the work of serving the Kingdom of Heaven. *Loyola Press*
