February 11, 2024 World Day of the Sick

World Day of the Sick is a Catholic Church awareness day, or observance, on February 11, aimed at praying and sharing, sacrificing one's suffering for the welfare of the church, and urging everyone to see the face of Christ in his or her ailing brother or sister. The day falls on the Feast of Our Lady of Lourdes, and it is an important occasion for individuals in the Catholic health ministry to reflect on caring for those who are sick as well as those who care for them.

Prayer to Our Lady of Good Health for the Sick

O Mary, you always shine on our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who at the cross took part in Jesus' pain, keeping your faith firm. You, Salvation of the Roman People, know what we need, and we are sure you will provide so that, as in Cana of Galilee, we may return to joy and to feasting after this time of trial. Help us, Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who has taken upon himself our sufferings and carried our sorrows to lead us, through the cross, to the joy of the resurrection. Amen. Under your protection, we seek refuge, Holy Mother of God. Do not disdain the entreaties of we who are in trial, but deliver us from every danger, O glorious and blessed Virgin.
