Canadian home missions face unique challenges in demanding cultural and physical environments. Your contributions to this collection provide crucial support to fellow Catholics in remote areas of our nation.

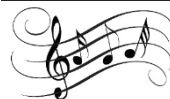

### E-MAIL/PHONE SCAM ALERT

In recent weeks there has been a sharp increase in the amount of fake/scam emails being received by parishioners throughout the archdiocese. These emails - usually sent from Gmail accounts operated by scammers - appear to be from a priest and often request the purchase of gift cards or electronic payments. Please exercise caution should you receive an email like this and contact the parish via telephone to validate its authenticity.

**Aug 15 Solemnity of The Assumption of the Blessed**

**Virgin Mary**

Mary's Journey to Heaven

The doctrine of the Assumption of the Blessed Virgin Mary is an important belief for Catholics. It teaches that Mary was taken up to heaven, body and soul, at the end of her life. This means she did not go

through the usual process of decay. Instead, God brought her directly to heaven.

Pope Pius XII declared this belief as official Church teaching in 1950. He did this through a formal statement called a dogma. This makes the Assumption a central part of Catholic faith. While the Bible does not specifically mention the Assumption, the Church has believed in it for many centuries.

The Assumption shows Mary's special relationship with Jesus. As His mother, she had a unique role in His life and mission. By taking her to heaven, God honoured her faithfulness and obedience. This event also highlights the respect and honour given to Mary within the Church. On this day, we think about how

Mary is closely linked to Jesus and how she lived a life of strong faith. This celebration highlights the idea that we can have life forever and be saved. It teaches us that God's special help can change us, helping us live in harmony with God after we die.

This event shows that Mary was a prime follower of Jesus, representing her complete rescue. It represents a part that goes beyond normal ideas of time and space. Mary's Assumption puts her in the role of someone who prays for us and guides us, going beyond what we can fully understand. It is an idea that is both very human and very mysterious.

The Assumption gives hope to all believers. It reminds them that they, too, can look forward to eternal life with God. By reflecting on Mary's journey to heaven, Catholics are encouraged to live faithful lives, trusting in God's promises. *Young Catholics*

**Securities as a Charitable Gift Option**

One of the most financially sound ways to support the Archdiocese of Toronto is a gift of securities (stocks, bonds, mutual funds). When you donate stocks, mutual funds and other publicly traded securities to a

registered charity, you pay no capital gains tax and receive a tax receipt for the full amount of the gift. It means a great tax break for you and more significant support of your Parish and various archdiocesan charities such as ShareLife, St. Augustine's Seminary, The Shepherds' Trust and many others. To donate securities, follow this link: **Archdiocese of Toronto - Gift of Securities ([archtoronto.org](http://archtoronto.org))** and download: • -How to Gift Securities Info Sheet • -Letter of Direction
