**A Walk Through the Mass: Step by Step**

Catholics know what is going to happen next. One of the basic, distinctive marks of our way of praying is ritual: We do things over and over. When the priest says, "The Lord be with you", without any thought or hesitation the congregation responds, "And with your Spirit". The priest says, "Let us pray", and the congregation stands up. Our daily lives have their rituals, also: There are set ways of greeting people, eating, responding to a text. And when we are accustomed to a certain way of doing things, we seldom ask ourselves why we do it that way. In the Eucharist, too, we have many ritual actions which we perform without asking why.

We would like our parishioners to join our new RCIA Candidates in celebrating the meaning of the Mass on

**First Scrutiny**

**Solemnity of Saint Joseph, March 19**  
**The Spouse of the Blessed Virgin Mary**

**Beloved father**

Joseph placed himself at the service of God's plan of salvation. He cared for the Holy Family that God had entrusted to him. He became an attentive servant from the moment of the Annunciation, a provident servant in caring for Mary and the Child she carried in her womb. He defended the Family in the moment of danger. These are just a few of Saint Joseph's traits that explain why the People of God are especially devoted to him.

**Tender and loving father**

Joseph taught Jesus how to walk, holding Him by the hand. Jesus saw the tenderness of God in Joseph, the Just Man. In Joseph, Jesus saw a man of faith who knew how to view life with hope because, in the midst of the storm, God remains steadfast at the helm of the course of life.

**Obedient father**

God's plan was revealed to Joseph through dreams. Joseph was guided by God and he obeyed. Jesus absorbed this filial "submission" to God from Joseph. He learned obedience from His parents.

**Accepting father**

Joseph is presented as someone who is respectful and sensitive, capable of placing Mary's dignity and life above everything else, even above his own reputation. Joseph accepts, certain that everything is guided by God's providence. He understood that life reveals itself according to the degree to which God's plan is accepted, to the degree to which we reconcile ourselves to God's plan. This is Christian realism: to accept, to welcome God into our own personal history, to learn how to welcome and accept everyone we meet.

**Creatively courageous father**

In the face of difficulties, Joseph always brought out the most unexpected resources. Joseph is the man through whom God manifested His providential care from the beginning of the history of salvation. Difficulties never stopped the boldness and tenacity of this just and wise man in whom God trusted, just as He trusted in Mary. This is how we see in Joseph the Guardian of the Holy Family: first of his family in Nazareth, and today, of the Church.

**Working father**

Work, understood as participating in God's own work, is what Joseph carried out in his own life and what he taught Jesus. Work is important to bring to birth a new "normal", in which no one is excluded. Saint Joseph's work recalls that Jesus, the Son of God-made-Man, did not disdain manual labor. Work guarantees human dignity.

**Father in the shadows**

As a father, Joseph introduced the Son of God to life's experiences and realities: not holding Him back, not confining Him, not possessing Him, but fostering His capacity of making choices, His freedom, eventually letting Him leave home. The logic of love is always the logic of freedom: Joseph's joy is the gift of himself. He made himself obsolete. At a certain point, he stayed in the background so that his Son could emerge. *Vatican News*

**Development and Peace Campaign next weekend**  
**March 22 & March 23, 2025**

Development and Peace - Caritas Canada invites all Immaculate Conception and Our Lady of the Lake parishioners to express their commitment to supporting human and environmental rights by signing a petition to the Federal Government after masses on March 22 and 23, 2025. The petition calls for due diligence legislation for Canadian companies operating abroad. Human rights and environmental abuses continue to devastate the lives of peasant and indigenous farmers in the Global South.

Following the D&P "People and the Planet" Campaign in 2021/22, the Federal Government promised to pass due diligence legislation, but this has not happened. Let's remind them through this petition to fulfill their promise.
