This Easter, we are deeply grateful for the love, time, and dedication you have poured into serving our Church family. Your willingness to give, whether through organizing, planning, preparing, cleaning, decorating, fixing, singing, reading, building, sewing, welcoming, or simply sharing a smile, reflects the true spirit of Christ’s love and resurrection hope. Because of you, our Easter celebration was filled with joy, connections, and the light of God’s grace. May the blessings of this season fill your heart with peace and renewed faith. Thank you for being a shining example of service in His name.

**CONGRATULATIONS**

May God bless you all!

### **Easter Octave and Divine Mercy**

#### **8 Days of Alleluias: Celebrating the Easter Octave**

For Catholics, the joy of Easter Sunday is so immense that it cannot be contained to a single day. In fact, the Church celebrates the Resurrection of Jesus Christ for eight full days, culminating in the feast of Divine Mercy Sunday. This eight-day period is known as the Easter Octave, and it is a time of profound grace and spiritual renewal.

#### **Renew your Baptismal Vows**

The concept of an octave has deep roots in the Jewish faith, with many feasts lasting for eight days. The early Christians carried this tradition forward, recognizing that the magnitude of Christ's victory over sin and death deserved an extended celebration. Each day of the Easter Octave is treated as a sort of "mini Easter," with the Gloria sung at Mass and the Paschal Candle lit.

But the Easter Octave is more than just a prolonged feast. The Church teaches that during this time, the floodgates of God's mercy are opened wide, and special graces are available to the faithful. These graces flow from Christ's Paschal Mystery – his passion, death, resurrection, and ascension – and are poured out in abundance through the sacraments, especially the Holy Eucharist.

The final day of the Easter Octave holds a special significance for Catholics. On this day, the Church celebrates Divine Mercy Sunday, a feast instituted by Pope John Paul II in 2000. This feast is based on the revelations of St. Faustina Kowalska, a Polish nun who received visions of Jesus and messages about God's infinite mercy.

Divine Mercy Sunday offers the faithful an extraordinary opportunity to receive a plenary indulgence, which is the complete remission of all temporal punishment due to forgiven sins.

As we journey through the Easter Octave, let us open our hearts to receive the special graces God wants to

bestow on us. Let us strive to participate more fully in the Mass, spend time in Adoration of the Blessed Sacrament, pray the Rosary and Divine Mercy Chaplet, and perform works of mercy. May this Octave be a time of true spiritual renewal, as we allow the light of the Risen Christ to dispel any darkness in our lives and fill us with his peace and joy. *Catholic365*

### **TipTap: A New Way to Support our Parish!**

**Touchless giving will support the essential work (Building Fund) of our parish and we are grateful for your kindness! We are happy to provide parishioners who no longer carry cash or prefer to use digital giving as a way to further support our parish.**

The Archdiocese of Toronto has partnered with Tip Tap Pay so that you can help support your parish with a simple tap. Simply tap and hold your payment card or smart device to the 'tiptap' device to give to your parish. That's it! You can also receive a tax receipt for your 'tiptap' gift, as well. After your first tap, scan the parish QR Code right away with your smart phone and register your payment card. You only need to register your card once. After your card has been registered, you will receive an end-of-year tax receipt for all of your 'tiptap' gifts. All 'tiptap' gifts prior to registering your card are not eligible for a tax receipt. Please note that tax receipts can only be given when an actual payment card is used, and not through a smartphone or other smart device. Your card will be charged the amount indicated on the device each time you tap with your card. You can also tap the device multiple times to donate more to your parish. Your data is completely secure. The 'tiptap' device does not store any information and will shut down if the device is tampered with.
